<p>Benjamin: Hey guys, what are we doing with the keys today?</p> <p>Hilary: I've got them. Whoever wants them can meet me at lunchtime or after</p> <p>Elliot: I'm ok. We're meeting for the drinks in the evening anyway and I guess we'll be going back to the apartment together?</p> <p>Hilary: Yeah, I guess so</p> <p>Daniel: I'm with Hilary atm and won't let go of her for the rest of the day, so any option you guys choose is good for me</p> <p>Benjamin: Hmm I might actually pass by at lunchtime, take the keys and go take a nap. I'm sooo tired after yesterday</p> <p>Hilary: Sounds good. We'll be having lunch with some French people (the ones who work on the history of food in colonial Mexico - I already see you yawning your head off)</p> <p>Benjamin: YAAAAWN</p> <p>Where and where are you meeting?</p> <p>Hilary: So I'm meeting them at the entrance to the conference hall at 2 pm and then we'll head to this place called La Cantina. Italian cuisine, which is quite funny, but that's what they've chosen</p> <p>Benjamin: Interesting</p> <p>To be honest, Hilary, I almost feel like changing my mind. Wanting to take this nap might end up costing me to dear</p> <p>Hilary: Oh come on</p> <p>Benjamin: All these terrible obstacles on mu way to bed might just prove to much to take</p> <p>Hilary: We'll try to avoid talking about their subject of research. <p>Clara: Hi, what you up to?</p> <p>Neela: Not much, chilling out.</p> <p>Clara: Just rewatching Dear White People on Netflix, love it!</p> <p>Neela: Oh yeah, heard of it, but not seen it yet? Any good?</p> <p>Clara: Well, yes! I just said it was, LOL. It's about a fictional Ivy League University and the students in one House of Residence.</p> <p>Neela: Why is it called Dear White People?</p> <p>Clara: That's the name of the radio show the main character, Sam, presents on college radio.</p> <p>Neela: Yeah, but why is it so good?</p> <p>Clara: Well, it's mainly stories from the perspective of black students there, which I find very interesting. The characters are strong and likeable too.</p> <p>Neela: I suppose it's rather different from the UK, then?</p> <p>Clara: It seems so, as there is a lot more racial awareness and discrimination there than here. It all kicks off when there is a Blackface party held by an elite group of white students, which gets out of hand.</p> <p>Neela: How's that?</p> <p>Clara: Well, obviously, the black students try to break it up and there's also an incident where one guy, Reggie, gets a loaded gun pointed at him by a campus policeman after he gets into an argument with a white student. It may be at another party, though, I'm not sure of that.</p> <p>Neela: Oh, that sounds pretty strong stuff. What else happens?</p> <p>Clara: Well, there is a young black guy called Lionel who is coming to terms with being gay and is finding his voice as a journalist. He unearths corruption at the uni and he and Sam also uncover some conspiracy theory stuff about secret societies.</p> <p>Neela: Well, I must say, it does sound good, I'll check it out soon!</p> <p>Clara: Definitely, there is supposed to be a Series 3 coming up next year, really looking forward to it!</p> <p>Neela: Well, thanks Clara, I'm just watching the rest of a movie and I'll try Dear White People.</p> <p>Clara: Don't blame me if you get hooked and stay up till 4!</p> <p>Neela: See ya, love!</p>

<p>Ola: Hello Kate, sorry for not keeping in touch properly. As expected, we have hardly any connectivity here in Cuba. But we're doing fine and enjoying our trip. How are the things at home?</p> <p>Kate: At long last! Started to worry. Nothing new happening, if you disregard all that Xmas craze. Momo has recovered from her injury and frolicking again.</p> <p>Kate: &lt;file_photo&gt;</p> <p>Kate: Good old Momo! Yes, it is your scarf!</p> <p>Ola: NO!!! It's one of my favorites! The one from Laos!</p> <p>Kate: Too late. Momo thinks it belongs to her now. Get yourself a new one. They surely have nice ones there.</p> <p>Ola: Not at all. Only cheapish cotton blouses with horrible multi-coloured embroidery or some equally horrible crocheted tops. No shawls or scarfs.</p> <p>Ola: &lt;file_photo&gt;</p> <p>Kate: Wait a sec!</p> <p>Kate: &lt;file_photo&gt;</p> <p>Kate: Isn't it similar?! Mum would probably like it. Why don't you?</p> <p>Ola: Not a bad idea. But the quality is usually crappy.</p> <p>Kate: And if you go to some boutique shop or something? Not at a market as in your pics?</p> <p>Ola: I might try and find some. Would you like one too?</p> <p>Kate: Not really. And Mum would prefer to be the only one with an authentic Cuban blouse :))</p> <p>Ola: OK I'll have a look. Greets to everyone at home pls.</p> <p>Kate: Take care!</p>
